

Virkisjökull Weather Station Data: Terms of Use

1. The BGS gives non-exclusive permission to use its Virkisjökull weather station information 'the information' free of charge, for non-commercial private study, research and educational activities, subject to you agreeing to acknowledge the information when reproducing any part of it and to compliance with any other stated terms and conditions of use.

2. The following acknowledgement must accompany the reproduced information:

'Reproduced with the permission of the British Geological Survey © NERC. All rights Reserved'

Where the information is used as the basis of specifically generated figures, sketches, illustrations, diagrams, map extracts or cross-sections, the source of the material should be cited as follows:

'Based upon Virkisjökull weather station information, with the permission of the British Geological Survey'.

3. Commercial usage of the information is not permitted under these terms of use. Commercial usage of the information is permitted only subject to separate arrangements being agreed in writing with BGS.

Commercial use means any internal use by any person or organisation where such a person/organisation receives any direct monetary consideration by offering a service and/or product containing the information or subsequently derived material. Commercial use further includes any indirect monetary advantage or benefit received by any person or organisation through the use of the information.

4. Please read any warnings given about the limitations of the information. BGS gives no warranty as to the quality or accuracy of the information or the medium on which it is provided or its suitability for any use. All implied conditions relating to the quality or suitability of the information and the medium, and all liabilities arising from the supply or use of the information and for any reliance on results arising out of use of the information (including any liability arising in negligence) are excluded to the fullest extent permitted by law.
5. BGS accepts no liability for any loss or damage which may be caused by the information or the medium on which it is provided, and you are expected to operate suitable anti-virus software before accessing it on your computer system. You are responsible for ensuring that the form of the information is compatible with your computer system and/or with any other data with which the information is to be used.
6. BGS gives no warranty as to the accuracy or completeness of information in the form in which it is cached or downloaded to your computer, as they may be affected by on-line conditions over which BGS has no control, nor any warranty with regard to the continued provision of the information.
